

Launch Program Clinician

Reports to: Director of Clinical Innovation

Position Status: Full time, Non-Exempt

Momentous Institute is seeking an experienced, licensed mental health clinician to join our collaborative clinical team. Founded in 1920, Momentous Institute is committed to offering services that are systemic, trauma-informed, and include brain and strengths-based perspectives. Comprehensive therapeutic services annually offered to over 5,500 children and family members focus on building and repairing social emotional health so families can achieve their full potential. With an emphasis on innovation, collaboration and training, Momentous Institute offers a truly dynamic work environment.

Role: Coordinate and implement clinical programming of Launch – a group therapy program for young children presenting with significant behaviors of dysregulation.

Responsibilities:

- Provide programming for children and their families enrolled in Launch. This includes; but not limited to, the following:
 - Support screening of referrals to Launch
 - Develop and implement individual treatment plans
 - Work in collaboration with Launch Coordinator to support the educational curriculum utilized within the program
 - Lead and conduct regular team clinical debriefings
 - Provide case management to clients in program, including family consultations as needed
 - Provide consultations to systems in which clients are functioning (e.g., schools).
- Supervise trainees participating in Launch programming. This may include individual supervision in addition to team debriefings
- Support professional development of inter-disciplinary team of professionals responsible for programming
- Maintain all appropriate documentation and record keeping.
- In addition to holding the clinical needs of families participating in Launch, this position will also provide services to children and families seeking individualized therapy at Momentous Institute. This may include play, individual, family or group therapy.
- Program development that takes into account direct service goals, outcomes, innovation and opportunities for program sharing
- Work closely with program director to weave direct service with program sharing in a way that generates growth and creativity. This may include consultation to schools and other systems who may benefit from a deeper understanding of postures and interventions used in Launch program.
- Support meaningful club member involvement as needed
- Perform other duties as assigned by Director of Therapeutic Services
- Exhibit MI's core values: respectfulness, stewardship, innovation, collaboration and hope.

Qualifications:

- Master’s degree in behavioral sciences from an accredited university with a Texas license to practice therapy (e.g., LPC, LCSW)
- A minimum of three years’ experience working with young children and families
- Registered Play Therapist or training in play therapy
- Strategic thinker that supports program development
- Excellent communication skills – verbal and written
- Excellent interpersonal and leadership and management skills
- Ability to work with clients and colleagues of diverse ethnic and socioeconomic backgrounds.
- Values self-reflection and open discussion of clinical work with colleagues.
- Proficient in Spanish preferred.
