

Substitute Teacher

Momentous Institute is a not-for-profit organization with a ninety year history of serving children and families. Momentous School is an accredited laboratory school educating 248 inner city children from three years of age through fifth grade. The school has a proven track record of excellence, demonstrating that children living in urban and low income settings are capable of remarkable achievements when participating in a true community school.

Founded in 1997, this unique Dallas laboratory school is one where students, ages 3 years old through 5th grade are engaged with a rigorous curriculum, woven with rich experiences on social emotional health — a key predictor for a child's academic achievement and lifelong success.
