

# STAAR Reading Passing Rates: Closing the Opportunity Gap by 5<sup>th</sup> grade

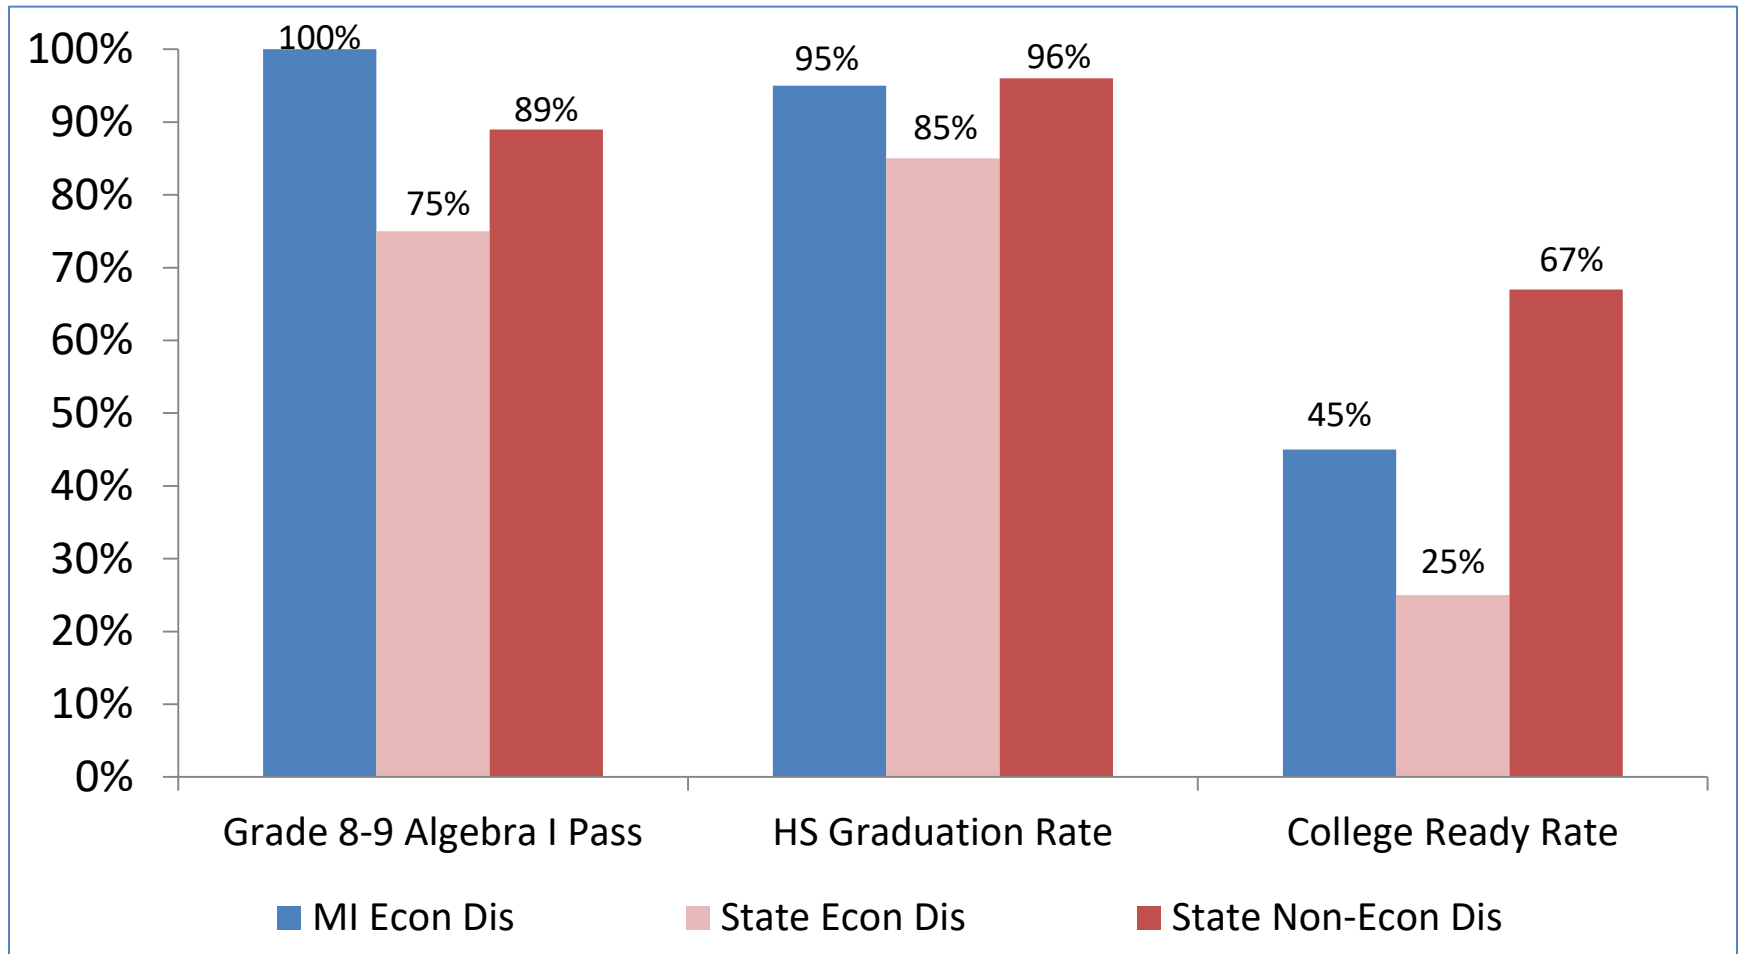

*Note.* Grades 3-5 passing rates based on STAAR at approaching grade level standard, averaged across 2013-14 through 2018-19 grade 5 cohorts. State Grade 5 results based on 1<sup>st</sup> administration of STAAR.

# STAAR Math Passing Rates: Closing the Opportunity Gap by 5<sup>th</sup> Grade

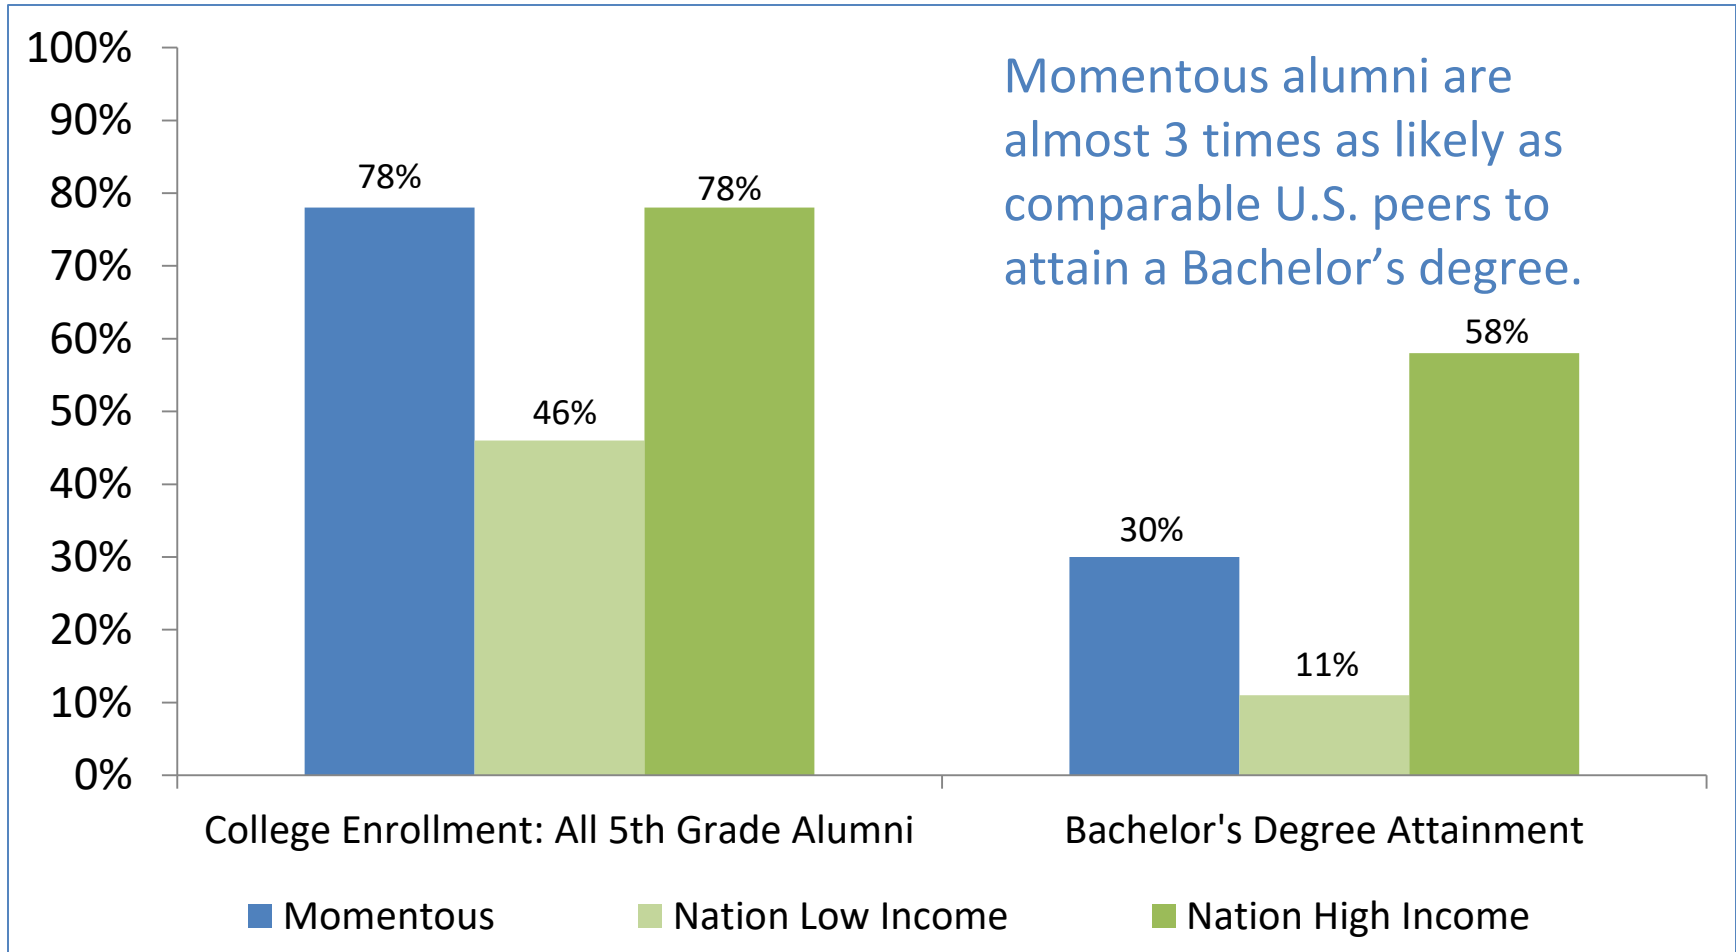

*Note.* Grades 3-5 passing rates based on STAAR at approaching grade level standard averaged across 2013-14 through 2018-19 grade 5 cohorts. Grade 5 results based on 1<sup>st</sup> administration of STAAR.

# Secondary School Achievement

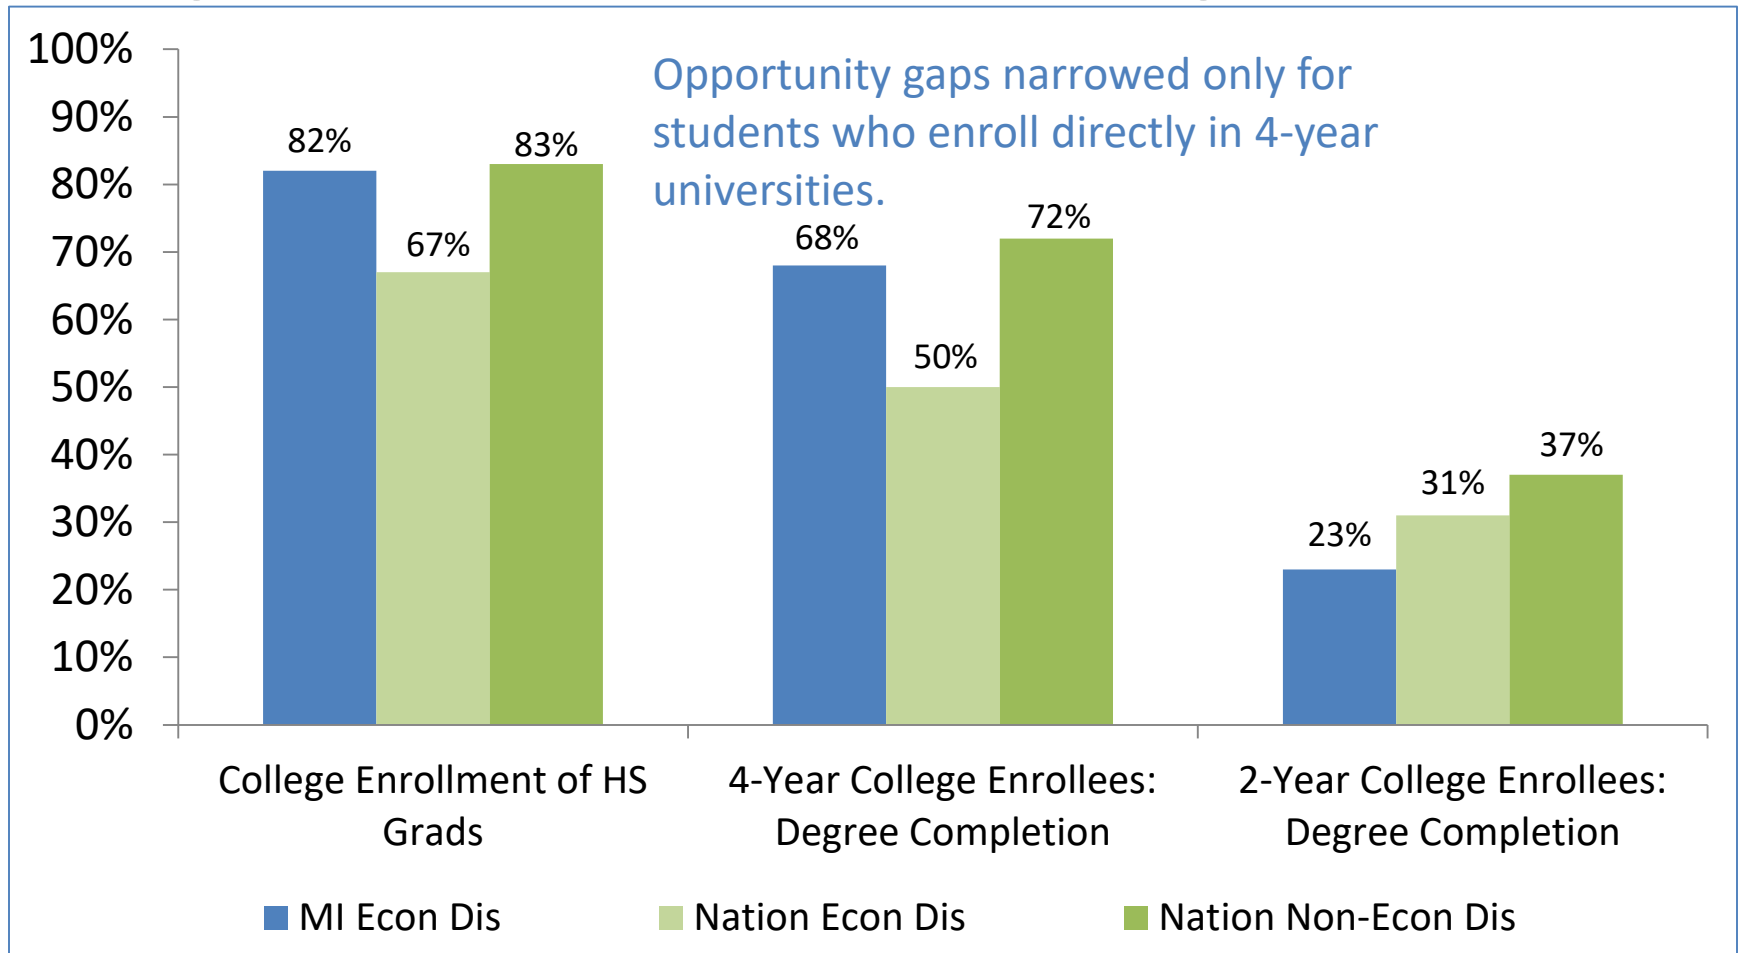

*Note.* Algebra I assessment is Texas STAAR End-of-Course exam. College ready rate based on meeting Texas Success Initiative criteria on SAT/ACT.

# Postsecondary Results: All Momentous 5<sup>th</sup> Grade Alumni

*Note.* Momentous enrollment rate based on 8 cohorts of 5<sup>th</sup> grade alumni, regardless of high school grad status. Momentous bachelor degree attainment based on 3 cohorts of 5<sup>th</sup> grade alumni. Degrees were attained within 6 years of enrolling in 2- or 4-year institutions. College enrollment/attainment source for nation is from 2018 Equity Indicators Report, Pell Institute; data obtained from the Current Population Survey, U.S. Census Bureau. An additional 5% of Momentous students received an Associate's degree or Certificate.

# Postsecondary Results: High School Grads and College Enrollees

*Note.* College enrollment/grad source is NCES. Momentous college degree completion based on 3 cohorts of alumni who enrolled in 4-year universities or 2-year colleges the fall after high school graduation. Nation rate based on same computation. About 42% of all college enrollees went directly to 4-year universities.
