

Licensed Child and Family Therapist

Reports to: Director of Clinical Innovation

Employment Status: Full time, Exempt

Momentous Institute is seeking an experienced, licensed clinician to join our clinical team.

Founded in 1920, Momentous Institute is committed to offering mental health and education services that are systemic, trauma-informed, and include brain and strengths-based perspectives. We offer comprehensive mental health services annually to over 5,000 children and family members. In addition, our urban innovation school in Oak Cliff serves children ages 3 through 5th grade. With an emphasis on innovation, collaboration and training, Momentous Institute offers a truly dynamic work environment. No client is ever turned away for an inability to pay and our funding structure allows us to work with clients without session limits or the need to bill insurance.

Responsibilities:

- Provide individual and family therapy to children and families seeking services for a variety of concerns. Services take place at both Momentous Institute locations (9705 Harry Hines Blvd. and 106 E. Tenth Street; Dallas) as well as off site with community partners as needed.
- Work in collaboration with Momentous School to support the needs of referred students, their families, and teachers.
- Work as part of a multidisciplinary team including psychologists, clinical social workers, licensed professional counselors, and teachers to ensure families seeking services receive high quality, integrated care.
- Conduct and/or support assessments with children to assess learning differences as well as social emotional difficulties.
- Participate in program evaluation efforts within the organization.
- Provide consultation as needed to educators and other caregivers involved in clients' care.
- Initiate individual or team case consultation as needed.
- Stay informed of developments in theory and practice through opportunities for continuing education.
- Demonstrate comfort providing presentations for small to mid-sized audiences about clinical work.
- Maintain and organize electronic clinical charts with current treatment plans, progress notes and other documentation required by clinical licensure.
- Exhibit Momentous Institute's core values: respectfulness, stewardship, innovation, collaboration, and hope.
- Adhere to the legal and ethical requirements of the profession and the agency.
- If credentialed, provide supervision to trainees working with the Therapeutic Services team.
- Perform other duties as assigned by program director.

Preferred Qualifications:

- Master's degree in behavioral sciences from an accredited university with a Texas license to practice therapy (e.g., LPC, LMFT, LCSW).
- Minimum of five years' experience.
- Able to work with clients/colleagues of diverse ethnic/socioeconomic backgrounds.

- Applicants fluent in both English and Spanish are encouraged to apply.
- Applicants with assessment training and experience are encouraged to apply.
- Strong verbal and written communication and interpersonal skills.
- Values self-reflection and open discussion of clinical work with colleagues.
- Willing to work flexible hours to accommodate evening appointments.
- Willing to work in multiple locations, including community partner sites as needed.
- Candidates from diverse backgrounds are encouraged to apply.
