

HOSTS THE

WHICH BENEFITS

Licensed School Mental Health Professional

Reports to: Principal, Momentous School, (with dotted line to Director of Therapeutic Services)

Status: Full -Time, Salary, Exempt

Momentous Institute has been working to build and repair social emotional health since 1920. The organization serves over 5,500 children and family members directly each year through mental health programs and the nationally acclaimed Momentous School. In addition to direct work with children and families, Momentous Institute invests in research and training in an effort to have quality services extended to far more children than could ever be served directly. On average, over 9,000 professionals are trained each year.

Role:

This school-based licensed mental health professional works with the school leadership team to provide and coordinate mental health and wellness services to Momentous School's students, families and teachers. This new position strengthens Momentous Institute's leadership at the intersection of education and mental health by expanding and introducing new school-based prevention and intervention programs. The successful candidate will be a bilingual, (English/Spanish), licensed mental health professional who is experienced in trauma-informed care in an elementary school setting.

Essential duties and responsibilities:

- Identify and respond to the mental health and wellness needs of students, families and teachers by:
 - Fostering student pro-social skills
 - Providing direct therapeutic services to a small caseload of students
 - Supervising and facilitating the referral process for students receiving therapeutic services and/or testing within or outside of Momentous Institute
 - Developing classroom-based intervention plans in collaboration with teachers, parents and members of Momentous Institute's clinical team
 - Participating in and supporting Momentous School's parent education classes
 - Creating and offering new teacher-focused mental health initiatives and reflective spaces
 - Offering teacher professional development on prioritized topics including mental health, trauma and adult well-being
- Lead Momentous School's Strategic Intervention Management (SIM) process, uniting teachers and clinicians in developing strategies to strengthen students mental and social emotional health.
- Support teachers with implementation of social, emotional or behavioral interventions developed during SIM process, by Momentous' therapists or outside providers.
- Stay up-to-date on current trends and innovations in school-based mental health, so that new ideas in wellness can be intentionally cultivated and piloted at Momentous School.
- Embody Momentous Institute's core values of Respectfulness, Stewardship, Innovation, Collaboration and Hope.
- Attend Therapeutic Services clinical trainings and case consultations to facilitate professional development and strengthen internal collaboration.

Knowledge, Skills and Abilities:

Behavioral change theories and practices including early intervention positive behavior supports; tiered intervention practices; brief counseling techniques and crisis intervention; behavioral and education-based mental health needs of students including mental health disorders; special education programs and the IEP process; mental health and wellness related community and state resources; health regulations and ethics related to school-based mental health services including Health Insurance Portability and Accountability Act (HIPAA) and Family Educational Rights and Privacy Act (FERPA); effective staff development methods; ability to mine for innovation

Educational and Experience Requirements:

- Master’s degree in psychology or related field
- Clinically licensed in the state of Texas to provide mental health services
- 3-5 years of experience providing mental health services in an elementary school
- Excellent verbal and written communication skills in both English and Spanish
- Strong intra- and interpersonal competencies, including:
 - Deep respect for diversity of cultures and perspectives among students and families, and among fellow staff and stakeholders
 - Ability to work independently and as a team player
 - Problem-solving and creative mindset
 - Optimistic and positive style
